Dear All,

Happy New Year !

Thanks to all who attended the AGM and to all those swimmers who are supporting the Friday and especially Sunday morning training sessions (a big thankyou to the coaches too).

At the AGM it was agreed to fund a junior swimmer to attempt to swim the length of Windermere ie. pay for the safety cover. Anybody interested should contact the Committee.

The new BLDSA and ASA subscription / membership / insurance was covered at length at the AGM. It was decided that if members are unsure as to whether or not to pay the ASA subscription, they should pay the Club fee as soon as possible and, following clarification from Maurice, I will inform members who can then decide whether or not to join the ASA.

Anybody interested in helping out with coaching and gaining the Life Saving Certificate please contact John Watkin who can provide the necessary training on a Friday evening during our usual training session.

Congratulations to our “charity angel” Lynn Lowther for winning a community award which was presented to her at the Anderton Hall Centre in Chorley. Her efforts include organising the Cross Mersey Swim and childrens Swimathons.

Finally, some dates for your diaries :-

1. Postal swim : Sunday 20th and 27th February (Fred's in charge).
