### February 2002 Newsletter

Dear All,  
Just a short newsletter to let you know your new Committee members and also to inform you of forthcoming events.

Thanks to all who attended the AGM, I am hoping to distribute the minutes earlier than last year, that is before January 2003!

Andy and Jim are hoping to arrange for some life saving training sessions with the Lifeguards at the Baths so more members will be qualified to be in attendance on the poolside and so relieve the pressure on the current coaches. Please contact Andy or Jim if you are interested.

Andy has also very kindly arranged some further canoe training sessions. These will be held on Sunday 10<sup>th</sup> March and Sunday 21<sup>st</sup> April from 9.00 to 10.00am. These were enjoyed by many last year and meant many swimmers had 1 to 1 canoe cover when swimming in Championships.

Tony Johnson retired as President at the AGM and thanked everybody for their support during his involvement with the Club.

Jim Nurse is the Clubs new President and is looking forward to chairing Committee meetings, overseeing the coaching and generally supporting Club members and the Club.

The Committee for 2002 comprises :

Lesley Feakes (Club Secretary)  
Wendy James (Treasurer)  
David Feakes  
John Lydon  
Maurice Ferguson

Andrew Wright (Publicity Officer)  
John Glynn  
Chris Byrne

The first Committee meeting is on **Friday 22<sup>nd</sup> February, starting at 7.30pm.**
