

Marbury 1mile Handicap

This handicap is traditionally held on the evening of Warrington Walking Day. When the Club trained at Leigh Street Baths, the pool was closed on Walking Day. As the Club's sessions were also on Walking Day Friday, then there would have been no session. Therefore, an alternative arrangement was put in hand and the Marbury Handicap was born.

Over the last couple of years the handicap has evolved and the presentation now occurs at a local pub following an informal buffet.
