

Boxing Day Race

This is one of the oldest Club events. The idea was initiated by the late John Heapy who often entered into the spirit of the event by dressing up in various costumes, such as a Viking and William Wallis. The event is a fun event and is held at Budworth Mere on Boxing Day morning. Water temperature ranges between cold and cold. The race is approximately 60m. Coffee, Bacon Butties and a Presentation follows in the clubhouse immediately afterwards.
